15 Counsel,

16 It struck me that I don't have a way to generate a motion to continue either. If it is okay with all of you, I will call the Court Clerk.

17 Thanks,

33 Dear Counsel,

34 I would like to request a brief extension in which to file my reply to your responses. Our case management system is not generating documents at this time. See the emails below. At this time, we don't know when it will be fixed. As my secretary will be gone on medical leave Thursday and Friday, I would like to request an extension until next Tuesday, July 12.

35 Thank you,
36 Kristin

5 FYI - Per Harry, we will NOT be generating until this is fixed. If you have
6 a form that you need copied into the DADATA/FORMS file to use, let me know
7 and I will do so. Also, I will put a copy of the subpoena shell and the disco
receipt in DADATA/FORMS for your immediate use. Please add in ticklers to
8 copy the work you do back into screen 12 of JALAN (or, in the case of the
9 attorneys, let your caseworker know). Please save your work in DADATA/DEF
10 (name it the DA number with a descriptive extension such as "12345.mtn" for a
motion in DA file number 12345 or "12345.dsc" for a disco receipt). .

20 After upgrading the AS/400 to a newer version of Operating System – We are currently experiencing problems
21 starting the older version of Document Management Services for the DA's office. I have submitted a ticket to Sungard
Public Sector to see if there is an easy way to resolve the problem.

22 We're hoping that this is merely a permissions issue (there have been a few of those already) and not an
incompatibility between the DMS version and the Operating System. If the problem is the latter – we may be forced to
upgrade the DA's office to the current version of DMS in order to make it work. This would require a significant amount of
archived documents that would need to be converted to a newer version of Microsoft Word.

23 I requested a high level of urgency from Sungard in this matter as I know that this is a critical process for your
24 office.
